Face to Face is an exciting format of orienteering with short, extremely fast paced courses (<1 min). The courses will be on a symmetrical matrix of check points in an open area (without any additional features).

There will be a free time trial for 1 hour, after that each team chooses it's two champions (1 girl and 1 boy) who will represent the country in the big showdown of national teams for great prizes.

In one heat two runners start at the same time, running the same mirrored course against each other in a duel type race. The winning team gets 2 points, in case of a tie both teams get 1.
